**FIRST SET OF DATA REQUEST FROM TENNESSEE PAYPHONE OWNERS'  
ASSOCIATION TO UNITED TELEPHONE-SOUTHEAST**

---

**DEFINITIONS**

1. The term "document" shall have the broadest possible meaning under applicable law. "Document" means every writing or record of every type and description that is in the possession, custody or control of United Telephone-Southeast ("Company"), including but not limited to correspondence, memoranda, work papers, summaries, stenographic or handwritten notes, studies, publications, books, pamphlets, reports, surveys, minutes or statistical compilations, computer and other electronic records or tapes or printouts, including but not limited to electronic mail files; and copies of such writings or records containing any commentary or notation whatsoever that does not appear in the original. The term "document" further includes, by way of illustration and not limitation, memoranda, correspondence, schedules, progress schedules, time logs, drawings, computer disks, charts, projections, time tables, summaries of other documents, minutes, surveys, work sheets, drawings, comparisons, evaluations, laboratory and testing reports, telephone call records, personal diaries, calendars, personal notebooks, personal reading files, transcripts, witness statements and indices.

2. The term "refer or relate to" means consisting of, containing, mentioning, suggesting, reflecting, concerning, regarding, summarizing, analyzing, discussing, involving, dealing with, emanating from, directed at, pertaining to in any way, or in any way logically or factually connected or associated with the matter discussed.

3. The term "communication" means any oral, graphic, demonstrative, telephonic, verbal, electronic, written or other conveyance of information, including but not limited to conversations, telecommunications, and documents.

### **INSTRUCTIONS**

1. If you contend that any response to any data request may be withheld under the attorney-client privilege, the attorney work product doctrine or any other privilege or basis, please state the following with respect to each such response in order to explain the basis for the claim of privilege and to permit adjudication of the propriety of that claim:

- a) the privilege asserted and its basis;
- b) the nature of the information withheld;
- c) the subject matter of the document, except to the extent that you claim it is privileged.

2. These data requests are to be answered with reference to all information in your possession, custody or control or reasonably available to you. These data requests are intended to include requests for information which is physically within Company's possession, custody or control as well as in the possession, custody or control of Company's agents, attorneys, or other third parties from which such documents may be obtained.

3. If any data request cannot be answered in full, answer to the extent possible and specify the reasons for your inability to answer fully.

5. These data requests are continuing in nature and require supplemental responses should information unknown to you at the time you serve your responses to these interrogatories subsequently become known.

6. For each data request, provide the name of the company witness(es) or employee(s) responsible for compiling and providing the information contained in each answer.

### **DATA REQUEST**

REQUEST NO. 1. For each rate element related to BellSouth's payphone access service, identify the following:

- a) the direct cost
- b) the shared (or joint) cost directly attributable to the rate element
- c) the level of common costs that BellSouth believes to be appropriate to be included in the rate

RESPONSE:

REQUEST NO. 2. What categories of cost (e.g. shared, common, other) does BellSouth believe are appropriately included in the definition of "overhead costs" when applying the FCC's new services test?

RESPONSE:

REQUEST NO. 3. What is BellSouth's definition of a "cost based rate"?

RESPONSE:

REQUEST NO. 4. What is the maximum markup permitted above direct cost that is consistent with BellSouth's definition of a "cost based rate?"

RESPONSE:

REQUEST NO. 5. What is the maximum markup permitted above the sum of direct, shared, and common cost that is consistent with BellSouth's definition of a "cost based rate?"

RESPONSE:

REQUEST NO. 6. In previous state proceedings into the appropriate level of cost based rates for payphone access services, BellSouth has identified certain costs as "TELRIC Costs." Provide a complete definition of the term "TELRIC" as BellSouth intends it to be understood in this context, including a detailed description of the methodology used by BellSouth to develop these costs.

- a) Is the term "TELRIC" intended to mean only the direct costs associated with the rate element in question?
- b) Is the term "TELRIC" intended to mean the direct plus shared costs associated with the rate element in question?
- c) Is the term "TELRIC" intended to mean the direct plus shared plus common costs associated with the rate element in question?
- d) If the answer to a, b, and c above are no, provide a complete description of the categories of cost that are included in BellSouth's definition of TELRIC, and explain in detail why BellSouth believes that each category should be included.

RESPONSE:

REQUEST NO. 7. Provide the following characteristics for local calls made on payphone access lines within BellSouth's Tennessee service territory:

- a) percentage of intra-office calls
- b) percentage of inter-office calls
- c) percent tandem transit
- d) average airline miles of transport for inter-office calls
- e) average calls per month per line
- f) average minutes per call per line

RESPONSE:

REQUEST NO. 8. Provide BellSouth's most recent calculation of the following costs (including separately identified direct, shared, and common costs). Provide all supporting work papers and documentation.

- a) end office switching, per MOU
- b) end office trunk port, per MOU
- c) tandem switching per MOU
- d) tandem office trunk port, per MOU
- e) common transport per mile
- f) common transport termination

RESPONSE:

REQUEST NO. 9. Please state whether it is BellSouth's policy in Tennessee to provide payphone access lines to business addresses only, or whether BellSouth is willing to provide a payphone access line at a residential address.

RESPONSE:

REQUEST NO. 10. For each rate element related to UTSE's payphone access service, identify the cost of that element using the same methodology, assumptions, and TRA-ordered adjustments as found in the most recent cost study filed by BellSouth Telecommunications, Inc. in TRA docket no. 97-01262 (the UNE cost docket).

RESPONSE:

Respectfully submitted,

Henry Walker
